Clouds Across the Moon | Apollo Program | Satellite

Clouds Across the Moon was written by accident. While searching for ways to prove to stupid people that they were wrong and we did go to the Moon, it occurred to me that there had been weather satellites at the

lie correlation seemed excellent, we wished to locate an historic Carib site-either an historically documented site or one producing sixteenth or early seventeenth century European artifacts in positive association in the ground with aboriginal pottery. A suggestion of such an association had been found at the Savanne

Flywheel Drive Systems Study: Final Report

The flywheel is straddle-mounted between a pair of single-row, deep-groove, Conrad-type ball bearings. The bearing mounting arrangement fixes the inner and outer races of the bearing located to the right. The left bearing inner race is fixed to the shaft and the outer race is spring-loaded to effect a face-to-face duplex mounting arrangement. This arrangement fixes the flywheel shaft while

The Politics of Untouchability, - Smithsonian Institution

The presentation slides are thematically arranged sets of photographs, presumably used for course lectures or conference presentations. The majority of the sound recordings are from fieldwork in Agra in 1994-1995, and include lectures, interviews, conference recordings, and songs.
