China s Price and Enterprise Reform Wang Xiao qiang

Meanwhile, the state-owned enterprise reform in China is leading to enhance managerial autonomy rather than privatisation. China has combined the 'gradual approach' of transition with the gradual process of economic development. The combination of transition and development gave China a chance to try something new.

8 things you need to know about China s economy World

Under Deng s leadership, prices were gradually liberalized (following an initial dual price system, allowing a quota and a market price), sub-national governments were granted greater fiscal autonomy coupled with incentives to attract investment and drive growth, while the private sector was also expanding.
