Self-Government in the Colonies | Boundless US History

Self-Government in the Colonies. A self-governing colony is a colony in which elected rulers are able to make most decisions without referring to the imperial power (such as England), with nominal control of the colony.

Self-government

The Indian Act imposed a colonial governance system on First Nation communities where authority rested with the federal Minister. Canada has now embarked on a journey of reconciliation between Indigenous and non-Indigenous peoples. It is a necessary journey intended to address a long history of colonialism and the scars it has left. The goal is to renew the nation-to-nation, government-to-government relationship.

Colonial self-government is a central and familiar theme of British imperial history. The issue was first forced on the attention of Englishmen at the time of the American Revolution, when they failed to discover an acceptable means of combining colonial autonomy with imperial unity, with the result

Colonial Self-government, 1652-1689 - Charles McLean

Page 185 - Governments, like clocks, go from the motion men give them ; and, as governments are made and moved by men, so by them they are ruined too.

Colonial Experience with Self-Government

The colonial assemblies were hardly models of democracy, because in most cases only white, male landowners were allowed to vote. Nevertheless, the assemblies reflected a belief in self-government.
