Contemporary Issues in the Sociology of Death, Dying and ...

A central concern is the diversity of representations of death to be found within the varying cultural, religious, medical and legal systems of contemporary western societies. Since the construction of death mores has social implications, a major element of the book is an examination of the way in which groups and individuals employ specific representations of mortality in order to generate meaning and purpose for life and death.

G. Howarth et al. (eds.), *Contemporary Issues in the ...* express their world-view concerning the complex issues of life and death in the most simple terms. In Punjabi villages a cremation ground is called sivey and the burning pyre jalda. The terms sivey and siva jalda have close association with the Hindu god Siva who is regarded as of bhutpret (ghosts). He 30 G. Howarth et al. (eds.), *Contemporary*
