[Development Politics | Encyclopedia.com](#)

DEVELOPMENT POLITICS The politics of development, or development politics, has always been at the core of modern economic activity, despite claims to the contrary. In India, a developing and democratic country, one can never fully understand the process of economic development, or of liberalization.

[Development Politics - University of Birmingham](#)

The politics of a country has a profound impact on levels of development. In recent years, donors have begun talking about the importance of supporting 'pro-poor' politics but without clear consensus about what constitutes pro-poor development or whether it is either feasible or desirable.

Using case studies that cover both post-ISE, post-socialist, post-developmental statist, and post-liberal instances of neoliberal-era developmental politics during the ascendancy of neoliberalism on the one hand and East and South Asian, Latin American, African, European, and Australian experiences on the other, the contributors critically examine various national configurations of [Development Politics | The Political Studies Association](#)

(PSA)

Development Politics. The group brings together scholars working on the politics and (international) political economy of development. Group activities profile work with immediate policy relevance and work that asks broader, more theoretical questions.
