Australia and Greece were Allies during WWII and Australian forces took part in the Battle of Greece and Battle of Crete. Greece also has consulates general in Sydney, Melbourne and Adelaide, as well as a

**Economics Essays: The UK economy in the 1960s**  
Poor industrial relations with a growing number of days lost to strike action. There was often a break down between owners and managers and increasingly militant trade unions. Some argue this was exacerbated by Britain's class system. Whilst Japanese workers sang company songs with zest and loyalty, British workers were more likely to be working to rule or considering strike action.  
Barbara

**France United Kingdom relations - Wikipedia**

The French expedition departed Australia in March 1788 and, according to the records, was never seen again. Up to 1940, relations between Britain and France were closer than those between Britain and the US. This also started the beginning of the French and British Special Relationship. After 1907 the British fleet was built up to stay far ahead of Germany. However Britain nor France
