Any opinions, findings, conclusions or recommendations expressed in this material are those of the authors and do not necessarily reflect the Faith and Reason -- Passion and Paradox

An excerpt from Kierkegaard's work 'Concluding Unscientific Postscript' that looks at the relationship between faith and reason, or, as Kierkegaard puts it, between passion and paradox.

S ren Kierkegaard (Stanford Encyclopedia of Philosophy)

Christian faith, for Kierkegaard, is not a matter of learning dogma by rote. It is a matter of the individual repeatedly renewing h/er passionate subjective relationship to an object which can never be known, but only believed in. This belief is offensive to reason, since it only exists in the face of the absurd (the paradox of the eternal, immortal,

infinite God being incarnated in time as a
Faith vs. Reason | Answers in Genesis

Some Christians have the idea that faith and reason are in conflict, divided by some unbridgeable chasm.

Leap of faith - Wikipedia

Kierkegaard felt that a leap of faith was vital in accepting Christianity due to the paradoxes that exist in Christianity. Lessing said, "accidental truths of history can never become the proof of necessary truths of reason."

Kierkegaard points out that he also said, "contingent truths of history can never become the demonstrations of necessary truths of reason." Kierkegaard liked Lessing.

Understanding Faith And Reason Philosophy Essay

With the model it says that faith and reason seem to be much the same, which underlines the fact that if you put your faith in something, and it works out you can prove that you putting your faith is the reason why it had happen. An example of that would be putting your faith in that someone would come back home after they ran away, than after a few days they did, so you can state that your

Faith and rationality - Wikipedia

Faith and rationality are two ideologies that exist in varying degrees of conflict or compatibility. Rationality is based on reason or facts. Faith is belief in inspiration, revelation, or authority. The word faith sometimes refers to a belief that is held with lack of reason or evidence, a belief that is held in spite of or against reason or evidence, or it can refer to belief based upon a
