This morning, I did a short interview with the Cato Institute about the libertarian case for a Basic Income Guarantee. The immediate stimulus for the conversation was the recent Swiss proposal to pay each and every and every citizen 2,500 francs (about 2,800 USD) per month. [Introduction to Political Philosophy | A Libertarianism](#)

The goal of political philosophy is to determine the standards by which we judge different institutions good or bad, just or unjust. This book serves as an introduction to some of the major theories of justice, to the arguments philosophers have made for and against these theories, and, ultimately, to how to be more thoughtful and rigorous in
