2 *Madness in Seventeenth-Century Autobiography* Mrs Parish, who becomes his partner in explorations in the spirit world, and eventually in everything.

Project MUSE - *Madness in Seventeenth-Century* ...

The seventeenth century has received less treatment, in part because of a lack of sources. However, as she demonstrates, rare finds can enhance our knowledge of this important transitional period, when religious and medical explanations for madness coexisted side-by-side. *Madness in seventeenth-century autobiography* - K. Hodgkin ...

What did it mean to be mad in seventeenth-century England? This book uses vivid autobiographical accounts of mental disorder to explore the ways madness was identified and experienced from the inside, asking how certain people came to be defined as insane, and what we can learn from the accounts they wrote.

Madness in Seventeenth-Century Autobiography | The English ...

The seventeenth century has routinely been posited as a time when the histories of madness and religion took important new directions. The upheavals of the period produced new forms of religious enthusiasm that we might well expect to overlap with madness, and they were indeed perceived to be frequent bedfellows.
