Parliament and the public - UK Parliament

Speaker John Bercow takes an active part in a number of programmes that seem to engage with the public and communicate the work and importance of Parliament. Liam Fox delivers Parliament and the public a central role ...

Parliament will also be provided with comprehensive analysis of its effects. Importantly, Parliament will be able to scrutinise any new legislation in the usual way, as well as the ratification of

Parliament and the Public: Strangers or Friends?

The title of my talk this evening is Parliament and the Public: Strangers or Friends? The answer to that question, in my opinion, is either both or neither. Both, in the sense that there is a strong familiarity between Parliament and the public but there are also areas of substantial mutual misunderstanding. Neither, in the sense that the best word to describe the relationship between

Parliament's engagement with the public - Commons Library ...

Parliament in the Public Eye, for the Hansard Society.

There are a variety of reasons for Parliament seeking to engage with the public, including to increase public understanding of Parliament and its work, to broaden the range of voices heard by Parliament, and potentially to enhance legitimacy.

Public Health - UK Parliament

the abolition of the Health Protection Agency and the National Treatment Agency for Substance Misuse; the public health role of the Secretary of State; the future role of local government in public health (including arrangements for the appointment of Directors of Public Health; and the

Public Bodies - Commons Library briefing - UK Parliament

Most public bodies that operate within the United Kingdom are established and operated by the Government. Concern over the accountability of public bodies and over arrangements for appointments to them, made by ministers, have arisen regularly. The role of Select Committees in such scrutiny has, at times, become a source of debate between Parliament and Governments.
