This text was adapted by The Saylor Foundation under a

Everyone employed in an organization is affected by management principles, processes, policies, and practices as they are either a manager or a subordinate to a manager, and usually they are both. Managers do not spend all their time managing. When choreographers are dancing a part, they are not managing, nor are office managers managing when they personally check out a customer s credit

An Introduction to the Principles of Management

Principles of Management Fayol s 14 Principles. Division of Work This principle of management is based on the theory that if workers are given a specialized task to do, they will become skillful and more efficient in it than if they had a broader range of tasks. Therefore, a process where everyone has a specialized role will be an efficient one.
