Social Groups in Action and Interaction - Charles  
Stangor ...

The goal of Social Groups in Action and Interaction is to review and analyze the human group as it operates to create both social good and, potentially, social harm. The book provides relatively equal emphasis on topics traditionally considered from an intra-group perspective (for instance, conformity, minority influence, group decision-making, leadership, and task performance) as well as topics derived from an inter-group perspective (e.g. social categorization, social identity, intergroup  
Social Groups in Action and Interaction: 2nd Edition ...

Social Groups in Action and Interaction reviews and analyzes the human group as it operates to create both social good and, potentially, social harm. It summarizes current knowledge and contemporary research, with real-world examples in succinct yet engaging chapters, to help students understand and predict group behavior. Unlike other texts, the book considers a wide range of topics such as conformity, leadership, task performance, social identity, prejudice, and discrimination from
