### **What Is International Strategy Reference com**

No matter how intricate or specialized an international strategy, they all have pros and cons. For the most part, a pro that comes along with an international strategy is a larger consumer base. One of the cons that come along with an international strategy are the questionable politics and exploitive measure that sometime accompany the endeavor. When a well-designed international strategy comes together properly, the result is a win-win scenario for the companies and markets involved.
