The Philippines is a beautiful country as far as landscape but what makes the Philippines so good for me is the people. I have NEVER met people so warm, so gracious, so welcoming, and so so so positive as filipinos.

**Poverty in the Philippines: Lack of Vision, Yet New Solutions?**

A study over twenty years has shown that a shift to non-farming activities has led to higher income and thus less in poverty in the Philippines. In return, people have invested in education and gained new skills. In other words, human capital has increased. This is a very obvious hint at the importance of developing and diversifying local rural markets so they don't just deal with farming.

**Extreme Poverty in the Philippines | U.S. Agency for ...**  
In 2012, extreme poverty in the Philippines was estimated at 19.2 percent of the population, or about 18.4 million people, based on the international poverty line of \$1.25 per day. Most of the poor in the Philippines live in rural areas and work in the agriculture sector, mainly in farming and fishing.
