Political participation of older people in Europe. - LSE ...

This thesis answers two questions: to what extent do older people in Europe differ from younger people in terms of their participation in politics, and why. It tests an age-centred model of political participation that is theoretically supported by prior knowledge about political-psychological thinking processes and the social behaviour of

What is Political Participation? - Oxford Research ...

Political participation, second, is voluntary and not ordered by a ruling class or obliged under some law. Third, participation refers to activities of people in their role as nonprofessionals or amateurs and not, say, as politicians, civil servants, or lobbyists. Fourth, political participation concerns government, politics, or the state in broad senses of these words and is neither

The Authors - Link ping University

The political participation of older adults in Western democracies has received increasing attention during the last decades, as a consequence of demographic transformations and a growing elderly electorate.
