[The Politics of Nature - ResearchGate](#)

From the time the term "politics" was invented, every type of politics has been defined by its relation to nature, whose every feature, property, and function depends on the polemical will to

[Political Nature | The MIT Press](#)

Political Nature is a significant contribution to the field. Not enough has been made elsewhere of the major traditions in political theory in the context of contemporary

environmental politics, and this book goes a long way toward addressing that problem.
