identifies and analyzes violent and nonviolent behaviours as well as the structural mechanisms attending conflicts (including social conflicts), with a view towards understanding those processes which lead to a more desirable human condition. A variation on this, peace studies (irenology

[Theories of War & Peace | Political Science](#)

theories of war and peace In this course we undertake a comprehensive review of the literature on the causes of war and the conditions of peace, with a primary focus on interstate war. We focus primarily on theory and empirical research in political science but give some attention to work in other disciplines.

[Democratic peace theory - Wikipedia](#)

Democratic peace theory is a theory which posits that democracies are hesitant to engage in armed conflict with other identified democracies. In contrast to theories explaining war engagement, it is a "theory of peace" outlining motives that dissuade state-sponsored violence.
