[Toward a Literacy of Promise: Joining the African American ...](#)

"Toward a Literacy of Promise" is an unashamed, courageous and deeply reflective look at literacy education in the lives of African American adolescents. It is theoretically rich, and practically clever, culturally complex and highly relevant to teacher education in the American context and teaching literacy in the 21st century."

[Toward a Literacy of Promise | Joining the African ...](#)

Toward a Literacy of Promise examines popular assumptions about literacy and challenges readers to question how it has been used historically both to empower and to oppress. The authors offer an alternative view of literacy a "literacy of promise" that charts an emancipatory agenda for literacy instructional practices in schools. Weaving together critical perspectives on pedagogy

The literacy of promise is a hope toward a more whole and liberal, truly liberating, education and classroom. This text is organized well, containing a foreword by Lisa Delpit, an introduction by Rebecca Powell, and then three sections that work as a pathway to progressive education in the 21st century.
