### Promenade

British Titles and Orders of Precedence. The second order of the British peerage, in rank next to that of By marriage, women share the dignities and

### Introduction: Marriages of Aristocratic British Women and ...

The underlying assertion at work in this project is that the marriage patterns of noble women are a good suggestion of the conception of rank identity held by aristocratic British families. The constancy in the marital behavior of the women indicates that the concept of rank identity also remained remarkably stable for the British nobility.
